We all have them.

Those naughty little fantasies, wicked dreams of intimate encounters with others, maybe a stranger, maybe a group, maybe even your hubby's best friend.

They're taboo, wrong, sinfully decadent...and they're all here for your sensual reading enjoyment.

Karissa is a dutiful wife who wants to support her hubby's law career, and their dreams seem to be coming true when he gets an offer from an exclusive, very-high-dollar firm, until the senior partners visit their home for a dinner, expecting her total submission to their darkest desires...

Jennifer is a woman who wants nothing more than to please her hubby and receive his undivided attention in return. She is ecstatic when hubby takes her to a weekend marriage conference – you know, the kind run by the good-lucking, slick-talking preacher who has all the answers for their marriage's ills. Only thing is, this pastor has a peculiar definition of "wife, submit to your husbands," and his influence takes Jennifer to experiences she's never known, shared with women, men – whoever hubby chooses – as she learns absolute submission to please her husband...

Victoria has finally reached her life-long dream, operating her own private physician's practice. She had to move from the city, half-way across the nation, into a poor mountain community to do it, but it's all she ever hoped, a chance to manage her own practice, help people on her own terms. As her first week draws to a close, she receives an after-hours visit from a couple of individuals who decide they want to practice their own form of physical exploration...on her, making some rather unique uses of her medical instruments...

These and other scintillating, absolutely shockingly sensual stories are just a click away...
