## **Come Winter** Clare Gutierrez

A lowly maidservant. A disguised fugitive. A savior to the poor and endangered. A queen.

Such is the paradox of Lady Caterina Tabor, an extraordinary young girl who, en route to England, finds herself captured and at the mercy of a stern and powerful lord. Forced to work as a common kitchen maid in the dank halls of Dermoth Castle, Caty dreams of her past as a free and autonomous maiden with a bright future in the English courts—did fate have other plans?

This early trial is but the first in a litany of shocking tribulations; imprisoned, abused, accused of sorcery, and kidnapped, Caty's life is for so long anything but charmed—but you can't keep a soaring heart shackled. As we follow this misunderstood maiden's journey through both the unexpected, electrifying joys of new love and the pain of mind-boggling adversity, we become eyewitnesses to the astonishing way she not only transforms herself but enchants, inspires, and invigorates those around her.

Spanning decades of castle life, treacherous journeys, bloody battles, and heartache, *Come Winter* is a sweeping yet personal tale of a brave woman who at once embodies and transcends the prescribed and oftentimes oppressive roles her society demanded. Let Clare Gutierrez (author of *Dancing with the Boss*) curate your voyage back to the Scottish highlands of ages past—a time and place in which simply staying alive constituted a noble adventure, and becoming a patron of the oppressed and the impoverished could make you a hallowed queen.
