A second chance at life, a second chance to make things right with the world and help the environment more effectively than recycling could ever do. There is a war going on that we have no idea about, there are battles that are fought in the instant of a lightning bolt, some wars quake and shake the Earth, others make us forget just what we we're doing. Our minds and hearts are the prize of this war, the lines that have been drawn to label "good" and "evil" will be shattered and the truth will spill out like a broken bladder; if you are a brave soul, if you have a curious mind to see exactly what this blind Armageddon is, or how it involves you, then I encourage you to sit down and read a few pages. Like Azuru said, "you are free to believe what you like"
