Eurydice Street: A Place in Athens Sofka Zinovieff

Sofka Zinovieff had fallen in love with Greece as a student, but little suspected that years later she would return for good with an expatriate Greek husband and two young daughters. This book is a wonderfully fresh, funny and inquiring account of her first year as an Athenian. The whole family have to get to grips with their new life and identities: the children start school and tackle a new language, and Sofka's husband, Vassilis, comes home after half a lifetime away. Meanwhile, Sofka resolves to get to know her new city and become a Greek citizen, which turns out to be a process of Byzantine complexity. As the months go by, Sofka's discovers how memories of Athens' past haunt its present in its music, poetry and history. She also learns about the difficult art of catching a taxi, the importance of smoking, the unimportance of time-keeping, and how to get your Christmas piglet cooked at the baker's.

From reader reviews:

Randy Anderson:

Reading a publication tends to be new life style with this era globalization. With reading you can get a lot of information that may give you benefit in your life. Having book everyone in this world may share their idea. Ebooks can also inspire a lot of people. Many author can inspire their very own reader with their story or perhaps their experience. Not only the story that share in the guides. But also they write about the data about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors nowadays always try to improve their expertise in writing, they also doing some analysis before they write with their book. One of them is this Eurydice Street: A Place in Athens.

Lawrence Elam:

People live in this new day of lifestyle always try to and must have the spare time or they will get large amount of stress from both everyday life and work. So , when we ask do people have time, we will say absolutely indeed. People is human not only a robot.
