He has never found the right woman...until now

Craig Lawson is the hottest filmmaker in Hollywood—a man who has won every award and can have any woman he wants. Now he's ready to produce his masterpiece. But it means returning to his Louisiana roots and the real estate dynasty he walked away from almost a decade ago. In the French Quarter, he finds a historic house that is perfect for his project...and the unconventional owner is a beauty of fascinating contradictions.

Jewel Fontaine had her reasons for disappearing from the local art scene five years ago. And this reclusive sculptress isn't about to let the famous playboy director turn his cameras on her private life. Until he awakens her hidden desires. If she gives in to his passion, will he uncover the secret she's been so desperately hiding? Or will Craig's own unresolved issues from the past sabotage any chance for a happy future together?
