My Alligator's New Tricks: An ABC Story Book for Children Learning the Alphabet Julie Sonnen

An alphabet book for children just learning to recognize letters. This fun little book takes you through each letter as created by my alligators. Can you identify all of their crazy shapes?

From the book:

My alligators have learned a new way to have fun.

They can spell out the alphabet, look what they've done!

They want to show you how smart they can be.

As they twist and they turn what letters do you see?

NOTE: This book is formatted especially for your kindle. The words are beneath each picture and can be made larger if necessary and still stay with the picture. Also, Text to Speech is available so the the kindle can read this story to younger children.
