#### **April Baker:**

As a pupil exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just very little students that has reading's heart and soul or real their passion. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Nano by Cook, Robin [2012] can make you truly feel more interested to read.
