## Porsche Icons (English, German and French Edition)

The Typ 64 is the most mysterious of all the Porsches--and perhaps the most significant. It hails from 1938 and represents the complete DNA for all later sports cars from Porsche's Zuffenhausen factory. A spectacular car, which incidentally has found a new home in the brand-new Porsche museum. In the book, Frank Orel and Elmar Brummer succeeded in reuniting the Typ 64 with its successors. In the process they tell the Porsche story in a compelling new way: exciting, aesthetic, technically intriguing, and always fascinating.
