This is a special personalized edition of Adam's Gluten Free Surprise. Adam's Gluten Free Surprise (and Hailey's Gluten Free Surprise) looks like a children's book, but it isn't just for kids. This book is helping teachers, grandparents, and others understand gluten free and how strict this diet is. Adam's Gluten Free Surprise shares Adam's experiences through the first six months of a new school year just after being diagnosed with celiac. He faces each special treat day with a positive attitude, knowing he can choose from his own box of gluten free treats. Watch as his teacher, Mrs. Brown, learns how to accommodate his needs by reading labels and avoiding cross contamination. In the end, Adam's class surprises him with a party that is completely gluten free. Adam's Gluten Free Surprise is about the acceptance that is required by the child with a special diet and the understanding required by those who are important parts of his or her life.
