It has been noted by psychologists that man is a gregarious creature whose need for affection and acceptability is as strong a motivation as his need for food and shelter. Approval is a social need that is reflected many times over in our everyday lives. Frequently, however, one's need for approval and acceptance undergoes a serious challenge, especially in those instances where behavior reflects a departure from what sociologists would consider the norm. THE GAY COWBOYS chronicles just such a challenge. River Gill and Tom Horn, adventurous, rugged cowboys, have developed a physical attraction to one another, yet it is only through a series of harrowing events that they will finally be able to understand the true measure of their attraction. THE GAY COWBOYS — An unusual and revealing story that holds a lesson for society.
