## **A Boy And His Dog** unknown

A short story about a boy and his dog, and the bond that develops between them. It is a sad story that was first written by Stephen Crane in the early 1900s. I re-wrote the story to make it a little more current.

P.S. The story is about a little dog; my dog Bella, on the cover, is not so little. But when you're making your own cover you have to improvise, so please don't hold that against me when writing reviews.

I hope you enjoy it, and if you have time, please let my future readers know what you think by writing a review.

Good or bad, hopefully good, either way, thanks again and enjoy...
