Life on the Vine: Cultivating the Fruit of the Spirit

Philip D. Kenneson

Life on the Vine: Cultivating the Fruit of the Spirit Philip D. Kenneson

Many books--many *fine* books--have been published on the fruits of the Spirit. But none are quite like *Life on the Vine*.

Philip Kenneson combines in this book rich, theologically grounded reflection on Christian life and practice with stunning analysis of contemporary culture. After a probing introductory chapter on the necessity and complexity of cultural analysis, Kenneson takes up each of the fruits of the Spirit listed in Galatians 5:22-23. He explores what each fruit means in its biblical context, then investigates how key traits of late modern Western culture inhibit the development and ripening of each fruit.

Life on the Vine is that rare book that will reward the reader on many levels. It may be read as a biblical and theological study, as an inspirational work on spirituality, as incisive cultural criticism and as a practical guide to Christian discipleship.
