## 2 Bestselling Books Bundled Into 1

Meet even more monsters of the deep!

This book has bundled together two of my bestselling marine life children's books. Now you can read about, and see, some of the strangest and spookiest looking sea creatures known to man.

There is only around 5% of the world's oceans that we have explored. So far, much of that 5% is home to some of the strangest and most peculiar creatures. These are the creatures you are about to discover in this book.

Some of these sea animals are amazing, some are highly unusual, some are terrifying, while some are all of these combined.

**The books in this series are packed with real images of animals!**

The first collection of creatures in this book are some of the weirdest living animals you will ever see. Many of them can only be found in the deepest and darkest parts of the ocean.

These creatures have names like Dragonfish, Giant Squid, Vampire Squid, Sea Devil, Giant Spider Crab and even Yeti Crab! Scary names for deep sea creatures that may not be as terrifying as we think.

The second collection of strange marine life also consists of deep sea dwellers as well as some that swim closer to the surface. These creatures have names like Sea Angel, Blue Dragon, Sea Pig, Frilled Shark and even Megamouth Shark.

**This book is part of a fun and colorful series that focuses on teaching children about animals while keeping them engaged and entertained.**

So let's get started and see if we can pick out which of these unusual marine animals is the strangest and spookiest looking!

**Collect the series!**
