The Seduction Factor Scarlett Avery

Love is for pussies—I learned that the hard way.

I like my relationships uncomplicated—make me come and I'll return the favor.

I don't need to be your girlfriend—I don't have time for that.

I follow a very specific set of rules when it comes to men and it's worked well for me until I met Nikolaj—the tall, dangerously hot, witty, blue-eyed billionaire with a sexy British accent and a bad boy attitude that leaves me panting.

without warning, the panty-dropping, dirty-talking masterful seducer broke every single one of my dating rules in one weekend of carnal debauchery.

The man is delicious in every sense of the word. If I don't get away right now, I may not be able to hold it together.

Can I trust a man enough to allow him to dominate me?

I'm Ciara Herrera, but you might know me as Sofia Herrera's little sister. This is my story.

This is the ultimate weekend hook-up for Ciara Herrera when a business trip to Toronto, Canada turns into a raunchy weekend of sexual debauchery with Nikolaj von Henningsen—the dirty-talking blue-eyed billionaire with a sexy British accent.

From reader reviews:

Michael Pauls:

Book will be written, printed, or illustrated for everything. You can understand everything you want by a guide. Book has a different type. As you may know that book is important thing to bring us around the world. Close to that you can your reading proficiency was fluently. A guide The Seduction Factor will make you to be smarter. You can feel more confidence if you can know about every little thing. But some of you think that open or reading the book make you bored. It is far from make you fun. Why they may be thought like that? Have you searching for best book or suited book with you?

Wade Diaz:

What do you with regards to book? It is not important to you? Or just adding material when you need something to explain what yours problem? How about your time? Or are you busy individual? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have time? What did you do? All people has many questions above. They have to answer that question mainly because just their can do that will. It said that about book. Book is familiar in each person. Yes, it is right. Because start from on guardería until university need that The Seduction Factor to read.

Zandra Woods:

This book untitled The Seduction Factor to be one of several books in which best seller in this year, this is because when you read this book you can get a lot of benefit on it. You will easily to buy this book in the book retail store or you can order it via online. The publisher of this book sells the e-book too. It makes you easier to read this book, as you can read this book in your Smartphone. So there is no reason to you to past this publication from your list.

Wayne Joseph:

Playing with family within a park, coming to see the water world or hanging out with pals is thing that usually you will have done when you have spare time, in that case why you don't try matter that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love The Seduction Factor, you may enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout folks. What? Still don't get it, oh come on its referred to as reading friends.
