You've built a life together. You have a home. You have children. You cringe at the idea of being a single mother and hitting the dating scene. He seems sincere in wanting to work things out. You want to stay married. But then you think to yourself, "Only weak women stay with cheaters. Strong women walk!"

- 5 Signs You Should Consider **Giving Him Another Chance**
- 7 Signs He is Going to **Cheat Again** (And You Will Be Hurt Again)

Infidelity in marriage is traumatic and you need to take time to assess the situation. *Fool Me Once* will give you the tools you need to evaluate your relationship. It will help you determine whether you should trust your husband or not and decide if your marriage is worth saving.

As they say "Fool me once, shame on *you*. Fool me twice, shame on *me*."
