## **Herland** charlotte Perkins Gilman

Herland is a utopian novel from 1915, written by feminist Charlotte Perkins Gilman. The book describes an isolated society composed entirely of women, who reproduce via parthenogenesis (asexual reproduction). The result is an ideal social order: free of war, conflict, and domination. It first appeared as a serial in *The Forerunner*, a magazine edited and written by Gilman between 1909 and 1916. The book is the middle volume in her utopian trilogy; it was preceded by *Moving the Mountain* (1911), and followed with a sequel, *With Her in Ourland* (1916). It was not published in book form until 1979.
