Laughter

Henri Bergson

Laughter Henri Bergson

The book has been highly successful in France, where it is in its seventh edition. It has been translated into Russian, Polish, and Swedish. German and Hungarian translations are under preparation. Its success is due partly to the novelty of the explanation offered of the comic, and partly also to the fact that the author incidentally discusses questions of still greater interest and importance. Thus, one of the best known and most frequently quoted passages of the book is that portion of the last chapter in which the author outlines a general theory of art.
