## **Learning Creative Writing** Valerie Hockert PhD

Eliminate writers' block and creatively express one's thoughts through creative writing Do you need some great writing exercises to get your creative juices flowing? Then this book is for you, as it is very complete and is designed to be learned over 16 weeks. It can, of course, be learned in a smaller timeframe, by combining some of the lessons into one week. The book includes many creative writing exercises to get the creative juices flowing, and is a more understandable and comprehensible textbook than those of its competitors. Various types of paragraph development and stories to rewrite are all designed to get your creative juices flowing, and have proved to be quite beneficial to writers of various writing levels. NOTE that this can be used as the Student Edition to Teaching Creative Writing, or can be used as an independent learning book
