Misceláneas de amor (Spanish Edition) Jelitza Balcazar

Es una historia del alma. Carmelia y Camilo son dos hermanos unidos por las fuerzas más magníficas que existen en el Universo. Ellos llevan la gran misión de dar y sembrar amor en todos los lugares y corazones de todos aquellos que cruzan su camino. La misión no es muy diferente a la que es delegada a todos los seres de la creación, pero es por medio de ellos, personajes inventados, que apreciamos la enseñanza de la vida sobre el verdadero concepto de amar. En la escena de un accidente, los dos hermanos desaparecidos y recién encontrados, corren al auxilio de las diferentes víctimas del accidente, eligiendo direcciones opuestas a destinos opuestos, y al desenlace de una serie de eventos que ilustran el amor en sus diferentes formas. Someten cada especie de amor a dudas y batallas que son a veces necesarios cuestionarlas con grandes desafíos, indagando su naturaleza en memorias ancestrales, a veces en el recuerdo ambiguo de los años, a veces en generaciones pasadas, y a veces en la lejanía de la memoria del universo mismo. Es sólo hasta que la sabiduría del primer amor se comprende, que estos personajes logran conquistar miedos, curar heridas causadas por inconciencia, emprender proyectos de rescate de jóvenes convictos, cultivar almas soñadoras y artísticas, brindar hogar a niños huérfanos, restaurar sus propios hogares perdidos, escribir sueños, y llegar a descubrirse a ellos mismos como grandes seres de luz. Se unen a sus almas gemelas y al final renacen por la fuerza del amor. “El amor infinito esta hecho de un millón de trocitos de amor, de los que están esparcidos por todos los rincones desde el gran Big Bang. Como siempre que se intenta alcanzar la verdad, es necesario la suma de la mayor parte de piezas esparcidas para reconstruir el amor... ¡No desperdicies más tiempo creyendo prepararte para el momento perfecto de demostrar ese amor y mejor ama ya! Ama hoy sin preparaciones y perfeccionate en ello mientras amas”.
