Des autocars, des bicyclettes, des bateaux et des cyclomoteurs surchargés à l'extrême garantissent la livraison quotidienne de biens et de marchandises diverses. Quelle drôle de logistique. Ce que le code de la route européen interdirait strictement et laisserait parfois tout responsable de logistique dans les pays Occidentaux, est ailleurs tout à fait normal et fonctionne même à merveille. Autres pays, autres us et coutumes. Les calendriers Calvendo sont des produits haut de gamme - avec ces plus qui font la différence : nos calendriers présentent bien toute l'année grâce à leur papier de qualité supérieure et leur reliure à spirales pour une manipulation des pages plus aisée et une tenue parfaitement droite contre le mur. Un film plastique transparent protège la couverture de ces calendriers toujours plus solides, qui se déclinent désormais en cinq langues. Offrez-vous un calendrier Calvendo qui reste beau tout au long de l'année.
