Palafox

Eric Chevillard

Palafox Eric Chevillard

Eric Chevillard's visionary play of word and thought has been compared to the work of Beckett, Michaux, and Pinget, yet the universe he spins is utterly his own. Palafox (Editions de Minuit, 1990), Chevillard's third novel of eleven, explores the ecosystem of an unclassifiable yet enchanting protean creature, Palafox. A team of experts armed with degrees of higher learning is determined to label, train, baptize, and realize the elusive creature, while Palafox effortlessly and wordlessly defies them all.
