The Art of Seducing a Naked Werewolf Molly Harper

Generations of werewolves have been secretly residing in a secluded valley a stones throw from Grundy, Alaska. So when a snooping Outsider comes to Grundy to investigate rumors of lycanthropic shenanigans in the area, the valleys pack alpha, Maggie Graham, resolves to chase him away, even if doing so takes a quick bite on the butt. What a pity that researcher Nick Thatcher turns out to be so drool-worthy, and that his kisses make Maggie want to sit up and beg. Maggie just cant seem to convince Nick to leave... and even worse, she cant convince herself to stay away from him.

Cross-species dating is problem enough for a harried alpha female, but on top of that, a rival group of werewolves is trying to move into the valley. With interpack war threatening, Maggie cant afford to be distracted. Combining romance and a career can be tough for anyone; for a werewolf in love with a human, it may be disastrous.
