"I'm woken at five, thrown in jail, accused of murder, had the sh\*t kicked out of me, helped my mob boss lose an FBI tail and now I have to keep my mouth shut because this Russian Mafia ass thinks I'm a snitch? F\*&k that." Harry Hyde is having a bad day and everyone around him wants him dead; including his girlfriend. Could things get worse? Yep. Harry's life is turned upside down and shaken until his sanity falls out. He thought working for a small time mob boss would be a breeze. Collecting a bit of overdue vig here, leaning on the occasional neighborhood troublemaker there; an easy way to make some coin. That was until he is woken at 4:30 in the morning by the FBI and accused of killing the woman he had been with earlier that night. Oh, and squealing on his boss. Set in the streets of New York City, all his best efforts to survive lead to dead-ends and Harry is left with nowhere to hide from an inevitable showdown where he must pay the ultimate price.
