**Debbie Yarborough:**

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart or real their interest. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country.
