Still a Gorilla! Kim Norman

Will Willy be another type of animal?

No!

Still a gorilla!

In this fun, zany picture book, Willy the Gorilla imitates other animals at the zoo, including a lion, a walrus, a billy goat, an alligator, and a kangaroo. But pretending to be something he is not "never" works out. What if he just tried to be himself?

In the end, Willy is still a gorilla -- and that's something everyone can appreciate! "Still a Gorilla!" is a funny, wacky, rhyming picture book that teaches the importance of being yourself.
