The Bamboo Sword Margi Preus

Set in 1853 in Japan, this novel follows Yoshi, a Japanese boy who dreams of someday becoming a samurai. Unfortunately, as part of the serving class, Yoshi can never become a warrior. He is taken up by Manjiro, the protagonist of Preus's *Heart of a Samurai*, and becomes his servant and secret watchdog. Meanwhile, Commodore Matthew Perry and his USS *Susquehanna* squadron of steamships arrive in Edo Bay demanding "diplomatically" that Japan open its ports to foreign trade. Aboard the commodore's flagship is a cabin boy, Jack, who becomes separated from his American companions while on shore. When he and Yoshi cross paths, they set out on a grand adventure to get Jack back to his ship before he is discovered by the shogun's samurai.
