Three More Ghost Stories: Scary stories that won't let you sleep (Original Ghost Stories Book 2) Tony Walker

These three ghost stories are meant to be disturbing. They are unsettling, atmospheric tales based on true ghost stories told to me by my clients from my days as a ghost hunter. Here they are:

He Waits: A woman goes to a London psychotherapist with a recurring dream set in her old school. She believes that a horror from her nightmare is getting ever closer.

The Catacombs: Two young women go exploring in the Paris Catacombs. Among the tunnels of bones and skulls one of them sees something that haunts her and draws her back.

The Warlock: A family go on vacation in the beautiful English Lake District. They stay in an ancient haunted Inn. But there is something in the inn that terrifies them.

Do you want to be scared? Then let me scare you...

Do it now.
