Gregory A Schirmer

William Trevor (Routledge Revivals): A Study of His Fiction Gregory A Schirmer

William Trevor is a master of contemporary fiction. He writes with equal authority about the frustrations of life in remote corners of Ireland, and the hollowness of life in prosperous London suburbs. An Anglo-Irishman, Trevor is admired on both sides of the Atlantic, and both sides of the Irish Sea.

In *William Trevor: A Study of His Fiction*, first published in 1990, Gregory Schirmer analyses Trevor's novels (such as *A Standard of Behaviour* and *Fools of Fortune*) and short stories in detail. He argues that Trevor's writing is important, both in terms of its mastery of fictional techniques and of the profoundly moral vision that informs it. His view of twentieth-century men and women is subtle and complex, generated by the tension between a humanistic faith in compassion and "connection", and an opposing, more realistic assessment of contemporary society as alienated and disconnected.
