A Better Way: Where Least Is Most David Zachariah Glover

A Better Way, by author David Zachariah Glover, introduces PURE ministry and compels us to view all people differently by awakening the average Christian to the blessings and contributions of people with disabilities, “PURE” people, to the church and the community. Inspired by the brief journey with his grandson, David founded PURE Ministries to encourage and equip Christians to see how they can be involved and blessed by these PURE individuals and their families. A Better Way begins with the story of how God used a little boy, someone whom this world would not consider of much value, to change this Granddad and lead him to start the PURE movement. David reminds and helps us understand that the PURE are perfectly created with unique gifts and desires, are responsive and receptive to our acts of love, and are indeed indwelt with eternal souls. A Better Way provides a scriptural foundation on which PURE ministry can be built and presents practical information and suggestions on how we can lovingly relate and reach out to PURE people and their families. Glover shows us A Better Way is truly where “least is most” and is evidenced in real, enduring transformation of us and His church.
