A Dog, A Husband, and I Gisela Roediger

Gisela Roediger, the author of *When Time Stood Still*, picks up her life story many years after emigrating from Germany to Canada in *A Dog, a Husband, and I*, a charming look at the life of a typical overworked middle-aged married couple with empty-nest syndrome. Narrated by Giselle, a businesswoman who is torn between continuing to work and settling into retirement in paradise in the beautiful rural setting of Lake Okanagan, this charming story is a comical look at life with an aggravating husband and a dog thrown in to make things interesting!
