Changing For You: A New Adult Contemporary Romance (Anything For You Book 1) Faleena Hopkins

If you had to change to have the man you love, would you do it?

I have loved Brendan Clark ever since I first saw him strolling across our college courtyard my Freshman year. But with my dyed black hair and black lipstick, I'm invisible to guys like him. When at a party we're forced to talk, he has no idea what to do with all the shadows and sarcasm, and he makes a horrible choice. Devastated, I must decide--do I have the courage to change? To tear off the mask, rip down the wall, and show my true inner beauty? Can he hold space in his heart for a girl like me?

Editor's Note: "Anything For You" weaves through time, telling a true-love story amidst the jealousy and vengeance of past and present lovers who want nothing better than to tear hope to shreds. It will keep you thoroughly entertained until the very last page.

"Oh my goodness I need more! Definitely need more! What I like so much about this series is that it is so like real life...the character's lives and loves are all so messy...definitely captures that aspect of life so perfectly that it really draws you in." - TripsDownImaginationRoad.com
