This book helps keep readers from being passive victims in the unfolding drama of their lives together. They can build a stable, satisfying, intimate relationship that will withstand the storms of life. All they need is a little wise counsel...and a burning desire to succeed. Based on information from a panel of successfully married couples, on the research of respected experts in the field, and on the principles endorsed by the Creator of families Himself, *Love for a Lifetime* is designed to help couples do just that.
