Safeword: Quinacridone (Safewords Book 5) Candace Blevins

What happens when an introverted artist who only likes sex when it's a one-night stand meets a computer-geek-extraordinaire with his own sexy secrets? Objectification, romance, pain, adoration, lots of kinky toys, and oodles and oodles of wonderfully imaginative sex.

Join Cara and Travis on their journey to mesh their distinctive sexual tastes into a loving relationship with blow-your-mind kink.

Ob*jec*ti*fi*ca*tion:

1. Treating a person as an object for use, with no regard for a person's personality or sentience.
2. Regarding someone as a commodity; considering them merely an instrument towards one's sexual pleasure.

Examples of OBJECTIFICATION:

1. A woman is on her back at the edge of a tall bed with hands and feet bound together and restrained above her head. A curtain drapes from a canopy above and puddles on the backs of her thighs. The man about to penetrate her sees only female genitals available for use.
2. A woman is dressed in a full latex blow-up doll costume with durable latex 'pockets' stuffed into her orifices. She is bound into a position giving easy access to all three holes at a party. Her face is completely covered excepting nose and mouth. The men do not know who is in the costume.

Safeword: Quinacridone is a stand-alone book. You do not need to have read the previous books in this series.

Warning: This title contains graphic language, consensual BDSM, extreme objectification, bondage, watersports, chemical play, fisting, temporary body modification with saline injections, and the use of toys including clamps, canes, plugs, paddles, whips, floggers, and zip-ties.

From reader reviews:

Shirley Frazier:

Throughout other case, little persons like to read book Safeword: Quinacridone (Safewords Book 5). You can choose the best book if you like reading a book. Providing we know about how is important the book Safeword: Quinacridone (Safewords Book 5). You can add knowledge and of course you can around the world with a book. Absolutely right, due to the fact from book you can recognize everything! From your country until finally foreign or abroad you will be known. About simple issue until wonderful thing you can know that. In this era, we could open a book or perhaps searching by internet device. It is called e-book. You should use it when you feel bored stiff to go to the library. Let's study.

Warren Johnson:

What do you consider book? It is just for students because they're still students or this for all people in the world, what the best subject for that? Just you can be answered for that query above. Every person has several personality and hobby for every other. Don't to be compelled someone or something that they don't wish do that. You must know how great in addition to important the book Safeword: Quinacridone (Safewords Book 5). All type of book can you see on many methods. You can look for the internet methods or other social media.

Barry Upshaw:

Why? Because this Safeword: Quinacridone (Safewords Book 5) is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will zap you with the secret this inside. Reading this book beside it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this ever again or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book get such as help improving your ability and your critical thinking approach. So , still want to hold off having that book? If I had been you I will go to the book store hurriedly.

Raul Miller:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just small students that has reading's internal or real their passion. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Safeword: Quinacridone (Safewords Book 5) can make you truly feel more interested to read.
