Snapped (Tracers) Laura Griffin

This fourth thrilling Tracers romantic suspense novel from *New York Times* and *USA TODAY* bestselling author Laura Griffin features Sophie Barrett and Jonah Macon from *Unforgivable*. Sophie is witness to a campus shooting, and only police detective Jonah believes it was more than just a random gun crime.

After being caught in the crossfire of a deadly campus shooting, Sophie Barrett counts herself lucky to escape with her life. As details of the incident begin to emerge, though, she realizes there is more going on than a senseless act of violence. Now she just has to convince a team of investigators that they've got it all wrong.

Homicide detective Jonah Macon knows Sophie has a knack for crossing paths with trouble. He's saved her butt before, and he's more than happy to do it again. After all, she's beautiful, sexy, and fearless. But when she takes on an entire task force of experienced cops, he thinks she's finally gone too far. Her conspiracy theory is, in a word, unbelievable.

Or is it?
