Under Oath Margaret McLean

The "code of silence" remains sacred in Charlestown, one of the most historic yet insular neighborhoods of Boston. Gangster Billy Malone stand accused of killing Trevor Shea, a suspected FBI informant, with a potent dose of heroin.

Prosecutor Annie Fitzgerald must crack the infamous code of silence and battle seasoned criminal defense attorney Buddy Clancy, who unleashes reasonable doubt with his penetrating cross-examinations.

The trial explodes into a high-energy race to justice when Annie's chief witness is killed, jurors defy their instructions, and FBI cover-ups obscure the truth. While the jurors are deliberating, Annie discovers incriminating evidence against the Malones.

Time is of the essence...but will justice prevail? Former prosecutor Margaret McLean combines the best of John Grisham's legal thrillers and Dennis Lehane's Boston crime novels in *Under Oath*.

At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
