Walking To the Six Gun Samurai - A cowboy with a ranch in Arizona sends for a mail order bride who arrives early and not realizing that his ranch is many miles away from the railway station, she sets out walking, and halfway there meets a stranger on horseback who is dressed in an unfamiliar style and carries guns and two swords in his belt. It's here that her life takes on many challenges and adventures and a journey into love.

Unchaining My Love is about a female doctor who finds the climate back east less than inviting, so heads west to make her own way and hopefully, practice.
