Delta: Rescue: A MacKenzie Family Novella Cristin Harber

From Lilitana Hart's New York Times bestselling MacKenzie family comes a new story by New York Times bestselling author Cristin Harber... When Luke Brenner takes an off-the-books job on the MacKenzie-Delta joint task force, he has one goal: shut down sex traffickers on his personal hunt for retribution. This operation brings him closer than he's ever been to avenge his first love, who was taken, sold, and likely dead. Madeleine Mercier is the daughter of an infamous cartel conglomerate. Their family bleeds money, they sell pleasure, they sell people. She knows no other life, sees no escape, except for one. Maddy is the only person who can take down Papa, when every branch of law enforcement in every country, is on her father's payroll. It's evil. To want to ruin, to murder, her family. But that's what she is. Ruined for a life outside of destroying her father. She can't feel arousal. Has never been kissed. Never felt anything other than disgust for the world that she perpetuates. Until she clashes with a possible mercenary who gives her hope. The hunter versus the virgin. The predator and his prey. When forced together, can enemies resist the urge to run away or destroy one another?
