### Excerpt from the Forward

...One such great man is Elon Musk, as a young man, Musk determined three main things that were likely to change the world in his lifetime, the internet, renewable energy and space travel. Then, he set out to make a splash in those three arenas. Starting with a \$28,000 loan, he formed an early internet startup business, made \$22 million, from what was the largest ever startup sale at the time, created a company that eventually became half of PayPal and then used the money from the sale of that company to create a cheaper form of space travel and invest heavily in electric cars....
