Deceit.

Destruction.

Death.

Olivia Masters grew up familiar with all of them. The daughter of the President of the Nordic Lords Motorcycle Club, Olivia always knew she wanted nothing to do with any of it. Her plans were made to leave the town she grew up in as soon as she and her boyfriend, Daemon Knight, turned eighteen.

But then Olivia was shot. Her mother killed in front of her. Fleeing became her reality. Forced to return to her hometown of Jasper Bay five years later, events beyond Olivia's control put her directly back into the life she swore she'd never return to.

Her dad wants her back in the family. Daemon wants her in his bed. But just as Olivia begins to accept her destiny, history finds a way to repeat itself.

This time, will Olivia be strong enough to fight for the family she once turned her back on? Or will she once again flee from the only life that has ever felt like home?
