Stations of the Cosmic Christ Marc Andrus, Matthew Fox
STATIONS OF THE COSMIC CHRIST:

Many people are familiar with the devotional practice within Christian churches of praying the “Stations of the Cross.” In this book Bishop Marc Andrus and spiritual theologian Matthew Fox challenge believers and non-believers alike to develop a new practice based on very ancient teachings and the new cosmology: The Stations of the Cosmic Christ.

In this time of wars and unprecedented challenge to the planet from human-induced climate change, how will humans integrate the teachings about the awesome universe in a way that empowers our joy and compassion?

Artists M. C. Richards and Javier Lemus join the authors in offering a Way and series of practices that moves the heart and awakens us to the Blessed Being who resides in us all and whether that eternal spark be called the “Cosmic Christ” or the “Buddha Nature” or the “Image of God. (Bishop Marc Andrus & Matthew Fox *Stations of the Cosmic Christ*)
