Sweet Forty-Two (November Blue) (Volume 3) Andrea Randall

This is the third book in the November Blue series. Regan Kane arrived in San Diego with nothing but a violin, his car and what feels like a lifetime of grief. Although hes surrounded by friends and music, one delivery from the post office reminds him that the past is always just around the corner. When he befriends a local bartender, Regan wonders if he's finally ready to let go. Georgia Hall has spent most of her life in the shadows of her mothers mental illness. Pushing away those around her ensures they wont get hurt when she succumbs to the same fate. All of that unravels when she meets Regan. As her life spins out of control and the line between reality and fairytale blurs, she has to make a choice to trust or fall. Regan and Georgia are searching for healing among the wreckage. Will doing so together make moving on all the more sweet? Or will the secrets and darkness of the past drive them apart?"
