What Saint Paul Really Said: Was Paul of Tarsus the Real Founder of Christianity? N. T. Wright

In this book N. T. Wright provides a concise, authoritative account of the apostle Paul's contribution to the birth of Christianity. In exploring Paul's background and his teaching, Wright refutes the argument made by some scholars that it was Paul and not Jesus who founded Christianity. Rather, as Wright shows, Paul's gospel revolved around Jesus of Nazareth as Israel's Messiah and king, and Paul consistently pointed to the crucified and risen Jesus as the foundation of the church and Lord of all.
