A Horrid History of Christmas Nicola Sly

Historic tales of tragedy and trauma during the festive season

Alongside fatal rail crashes, freak weather conditions, and devastating fires, the holiday season has witnessed a plethora of almost unbelievable accidents, including the amateur mechanic who died with his head stuck in a car engine, the footballer who leaped into a quarry to retrieve a lost ball, and the Christmas party guest who fell down a flight of stairs and broke his neck. This collection of historic horrid happenings from across England demonstrates that Christmas is not necessarily a time of peace, joy, and goodwill to all men. Full of merry madness and hearty heartache, this treasury might make readers want to bypass the festivities altogether.
