Sorting through the estate of a wealthy recluse may sound like a fascinating task, but when the skeletons in the closets turn out to be real, Martha and her quilting pals wish they'd stuck to basting and batting. . .
Martha Rose is stunned when she hears that her best friend from high school has passed away. Her shock doubles when she learns that Harriet Oliver made her the executor of her estate. But when investigators determine that Harriet was murdered, Martha recruits her fellow quilters to help find the culprit. She's mastered the art of piecing together blocks to create intricate quilts, but piecing together her friend's murder will prove far more challenging. . .
