Scandilicious Baking

Signe Johansen

Scandilicious Baking Signe Johansen

A follow-up to the *Scandilicious* cookbook, the secrets of some of the best baking in the world are found here

Deeply ingrained in the Nordic culture, baking is a distinctive part of Scandinavian identity, history, and well-being. Welcome to a world where cakes made with real butter are celebrated rather than feared, where entire festivals are dedicated to baking, and where it is believed there is nothing quite like the thrill of making one's own bread, snow biscuits, or cardamom buns. Here, Signe Johansen shares with readers the most delicious baked treats she grew up with. The book includes Rye and Chocolate Soda Bread hot out of the oven; Pumpkin, Cheese, and Sage Muffins that pack a flavor punch; and Danish Strawberry and Mazarin Cream Tart—perfect for summer entertaining. Dipping into seasonal fare, and finishing with a chapter on Christmas treats and gifts, this delicious collection will soon become a foodie kitchen favorite. Includes metric measures.
