“Your life will last only as long as our conversation,” I said gently. “You will share some of your life with me, and then I will share some of my life with you. If you lie to me, about anything, I will know it. My senses are a thousand times more sensitive than your own. I will smell the lie in your sweat, see it in the quiver of your pupils, and then I will kill you, more slowly, and more painfully, than you could ever imagine. Now... Do we have a bargain?”

So begins the second volume of the Oldest Living Vampire saga.

In modern day Belgium, the vampire Gon has kidnapped a ruthless murderer. Lukas Jaeger is a cunning sociopath, a monster in the guise of a man. Lonely and fascinated by his hostage's inhumanity, Gon strikes a deal with the seductive serial killer: his life story in exchange for the mortal's vile tales. So long as Gon is intrigued, his captive lives on.

As their Faustian bargain unfolds, the Oldest Living Vampire tells Jaeger of his rebirth in the icy steppes of Europe following the last glacial maximum, the creation of his first vampire companion, and their battle with the Elders of the Oombai, a burgeoning agricultural society... all the while, his thirst for the captive mortal's blood grows more and more irresistible.

A Kindle bestseller since its debut in 2010, the Oldest Living Vampire Saga has been described as "lush and brutal", "a great new angle for vampires" and "a must-read for any vampire addict!"
