The Prodigy of St. Pete's Michael De Stefano

Author's notes: Big or small, some have an adventure gene that at times begs to chuck it all, hit the open road, allowing life to unfold one day at a time, as an ironical and chaotic world would see fit. I have no statistics to bear this out, but I imagine nowadays it's a minute percentage who take such risks with no certainty of reward. I'm not in that minute percentage, so therefore I have created a character to do my dirty work, live the fantasy...to be a game changer! I'm of no particular faith, nor do I have a singular conviction in such matters. Although, when reading "The Prodigy of Saint Pete's" I will call upon the atheists in the room to take a leap of faith. It is through faith that Andy can begin his journey. It is through faith that he survives.
