Thirteen Million Dollar Pop: A Frank Behr Novel David Levien

The acclaimed author of *City of the Sun* returns with a relentlessly taut new novel featuring enigmatic private investigator Frank Behr and the American heartland setting that has won David Levien critical raves.

In an Indianapolis underground parking structure, Frank Behr is on an executive protection detail for Bernard “Bernie Cool” Kolodnik, a hard-driving business mogul on the verge of making a move into big-time Indiana politics. Behr is working for an exclusive investigation company, and it’s an uncomfortable fit, both literally and philosophically. The uneasy stability is quickly rocked by a burst of automatic weapons fire as an attempt is made on the prominent client, and Behr manages to protect him and repel the attackers. Though Behr is celebrated for his heroism, he can’t help but investigate what happened in that garage—and why the Indianapolis cops seem to be burying the incident.

As David Levien has masterfully done in his previous novels, he weaves a crime story that is teeming with real characters and electric energy—centered on the brooding psyche of Frank Behr. *Thirteen Million Dollar Pop* is unyieldingly compelling and will give readers yet another reason to enlist with this superbly talented writer.

From the Hardcover edition.
