*Now that I am not addressing you  
But the “you” of poetry  
I am probably doing something horrible and destructive.  
But this “I” is the I of poetry  
And it should be able to do more than I can do.*

Just a few months after the publication of her prize-winning, instant classic debut *The Cow*, Ariana Reines self-published this stunning book-length poem, now a cult object among readers of truly contemporary poetry. *Coeur de Lion* is an intensely personal, monologic meditation on longing, sex, and love between a speaker and the object of all her passions, which include thinking and writing.
