Directed primarily toward undergraduate MIS college/university majors, this text also provides practical content to current and aspiring industry professionals.

MIS Essentials, 3/e shows exactly how businesses use information systems and technology to accomplish their goals, objectives, and competitive strategy. Knowing this will help you get ahead of the *IS* impact, which in turn, will keep you ahead of the growing list of obsolete jobs. MyMISLab further prepares readers for the rigors of the workplace through additional practice material, quizzing, and testing, and also engages readers in real business situations through simulations.

The Third Edition focuses on the latest innovation in MIS and addresses today's changing experience through new Guides and new *GearUp* and *PRIDE* cases, based on real businesses and business opportunities.
